LEAGUE RULES AND GAME OFFICIALS

LEAGUE RULES

1. All games will be played in four 12-minute periods.
2. Each player is permitted six personal fouls.
3. The free-throw lane is to be bounded by two lines 12 feet apart.
4. Any player who is fouled and injured and cannot attempt his foul shot and must be removed from the game for a substitute cannot re-enter the game. His substitute is to be selected by the opposing coach.
5. If a double-foul occurs, and participating players thereby incur a sixth personal foul, such players shall attempt the foul shot before leaving the game.
6. No zone defense is allowed.
7. When a team is reduced to five eligible players, these players must finish the game, except in case of injury. Any one of the last five players in the game, upon committing his sixth personal foul, shall be penalized by a technical foul in addition to the personal foul. The same penalty shall be imposed for any additional personal fouls committed after the sixth personal foul. An injured player who must be replaced can be replaced only by the last player who was put out of the game.
8. A team shall be limited to six personal fouls per quarter, with each foul in excess of six per quarter to be penalized by an additional free throw, with certain reservations. In overtime periods, each team will be limited to three personal fouls.
9. During the last two minutes of the game, the time clock shall be stopped whenever a ball goes out of bounds.
10. The spaces now designated by the figures H and V alongside the free-throw lane shall be occupied by two players of the defensive team with the other players alternating on both sides of the free-throw lane.
11. The areas midway between each end line and parallel to the end lines are considered the forecourt of the team whose basket is located therein, the balance of the court being considered that team's backcourt. If a player is in absolute control of the ball in his backcourt and is fouled, this foul calls for two free throws.
12. A team in control of the ball must make an attempt to score within twenty-four seconds after gaining control of the ball.
